Château Pontet-Canet – the 1990s

1990 – 1994 – 1995 – 1996 – 1998 – 1999

This collector's case features the great vintages of the 1990s.

1990— Made from a very early harvest, this wine is rich with a bouquet of spices and tobacco and has a superb velvety mouth-feel. The finish is both flavoursome and balanced and has tremendous length.

1994— Unsettled weather conditions had no adverse effect at all on the making of a wine expressing lovely aromas of red berry fruit and notes of eucalyptus. With silky tannins, the palate is beautifully balanced and has superb length of flavour.

1995— A vintage of outstanding weather conditions. This wine has a complex bouquet and shows a touch of age together with notes of fresh fruit. Creamy tannins and power come through on the palate followed by a stunning spicy finish with great length of flavour.

1996— This vintage was saved by fine anticyclonic conditions just before the harvest. The wine shows wonderful classicism, a superb bouquet of flowers and tobacco as well as great finesse and elegance.

1998— With rain forecast in September, the harvesting was done very quickly and resulted in a wine with a seductive vanilla and floral nose. Its vertical, smooth-textured palate is followed by a lovely lingering fruity finish.

1999— An harvest picked rapidly gave birth to a very expressive and powerful wine, with notes of spices, tobacco and cherries coming through, mingling harmoniously with the wine's silky tannins.

Flat, single-layer, 6-bottle wooden case, in radiata pine, with interior marking of the vintages on the bottom of the case, customised single guillotines, and sliding case lid secured with strapping in the colours of the château. Wooden cases not numbered.

The wines will be ready for collection as from June 2021.
